

CITIZEN'S CHARTER

NOOTAN GENERAL HOSPITAL - VISNAGAR

(AFFILIATED WITH: NOOTAN MEDICAL COLLEGE & RESEARCH CENTRE – VISNAGAR)

=====

PREAMBLE:

Nootan Medical College & Research Centre (NMCRC) aims to provide quality medical education and health services to the mankind.

The objective of NMCRC is to develop innovative curriculum and pedagogy of teaching in undergraduate and postgraduate education in all offered branches of Health care. The aim is to achieve a high standard of education and to bring together educational facilities of the highest order for the training of personnel in all important branches of healthcare under one roof.

To meet these objectives, NMCRC provides quality healthcare services through Nootan General Hospital. The details of hospital services are elucidated in this Citizen's Charter.

This Charter is published with an intention to make the Nootan General Hospital services more 'patient centric', and to ensure best practices in Medical Education at NMCRC.

Through this Charter the citizens are also informed about the services available, the quality of care provided and grievance redressal procedures at Nootan General Hospital.
